1. GENERAL INFORMATION

1.0 Purpose of the RFP

The City of El Monte has issued this Request for Proposals (RFP) to obtain one or more qualified consultants for a variety of tasks in three subject areas:

- Administration
- Technical
- Affordable Housing Management/ Property Management

Though it is conceivable that one consultant (or consulting firm) may be able to perform all services desired, it is likely that consultants will have areas of expertise better suited to one of the above-mentioned subject areas. As such, the City of El Monte is likely to select more than one consultant from this process to meet its needs during the current year and up to the next five years. Therefore, proposals will be accepted that cover only a portion of the services being sought. The City encourages proposals from Minority and Women Business Enterprises (MBE and WBE) firms.

This Request for Proposal (RFP) may be viewed and downloaded from the City's website at <https://www.ci.el-monte.ca.us/Bids.aspx>

The City will evaluate submittals with the intent of selecting the most qualified consultant(s). In general, the selected consultant(s) will be highly proactive and will be responsible for assisting staff in managing the City's United States Department of Housing and Urban Development (HUD) budget allocation. Annually, the City receives approximately \$1,750,000 in annual Community Development Block Grant Program (CDBG) funds; \$683,000 in annual HOME Investment Partnerships Program (HOME) funds; and \$150,000 in annual Emergency Solutions Grants Program (ESG) funds. Proposals are for a three (3) year Agreement, with an option to extend up to an additional two (2) years for a maximum five (5) year term.

2. SCOPE OF SERVICES

The City is requesting proposals to evaluate, create, and implement housing, community development, public services, and economic development programs to the City's residents. The list below is not inclusive of requirements based on unforeseeable program changes initiated by the City and/or HUD. All work items will be carried out in conjunction with City staff direction, input and review.

2.0 Program Evaluation Report: Consultant will provide City staff with a comprehensive evaluation report on the City's compliance with the HUD regulations. The report will include the current status of all City programs, any lapses in Program implementation, as well as recommendations for ensuring compliance with all HUD requirements. The report will be presented to staff within ninety (90) days after the commencement of the Agreement.
