FAQ

1 Will I have access to my driveway?

Vehicular access to driveways will be maintained except when necessary construction prohibits such access for reasonable periods with a minimum 48-hour notice.

2 Are there any parking or driving restrictions?

All parking/driving restrictions will be limited to a reasonable period and a 48-hour notice will be provided. Parking/driving restrictions (no parking signs) will be posted on the impacted streets.

3 What are the working days/hours?

Construction days/hours are from 8 a.m. to 4:30 p.m., Monday to Friday, excluding legal holidays. These hours are subject to change.

4 Will my trash be collected?

The Contractor will not schedule any work on local/residential streets that will prevent trash pickup on the same day as trash collection.
